

CLAIMS

Sub
a
1. A protein containing the amino acid sequence represented
by Sequence No. 1.

5 2. The protein described in Claim 1 containing the amino
acid sequence represented by Sequence No. 2.

3. A cDNA containing the base sequence represented by
Sequence No. 3.

4. The cDNA described in Claim 3 containing the base
sequence represented by Sequence No. 4.

10 5. The cDNA described in Claim 3 or Claim 4 which comprises
the base sequence represented by Sequence No. 5.
